They have collectively urged the Centre to commence copra purchases at the revised price without delay. As per the latest revision announced by the Cabinet Committee on Economic Affairs on Wednesday, the MSP for fair and average quality ball copra is now Rs 12,000 per quintal, while milling copra stands at Rs 11,160 per quintal. Former prime minister HD Deve Gowda expressed relief for the state's farmers, thanking the Prime Minister for the decision. Gowda, along with his MLA sons HD Kumaraswamy and HD Revanna, had recently met PM Modi, advocating for an increase in the MSP for copra due to concerns over declining copra prices in the open market. While welcoming the upward revision, Revanna urged the state government to provide an additional Rs 3,000 per quintal over and above the MSP from its funds. Currently, the state government provides Rs 1,250 per quintal. Congress MLA K M Shivalingegowda emphasised the necessity for the central government to promptly commence copra purchases at the revised MSP. While acknowledging the positive impact of the MSP increase, he stressed that real benefits for farmers would materialize only when the central government intervenes in the market, where copra prices hover around Rs 8,000 per quintal.
